## PROFESSIONAL EXPERIENCE

---

### University of Shaqra | Shaqra, Saudi Arabia

Accounting Lecturer

Jan 2014 - Present

- Teach an average of 60 students Tax Accounting, Government accounting and Applied Accounting courses in undergraduate program. Conduct small groups and individual classroom activities with students based on differentiated learning needs to ensure all students are learning at full potential.
- Collaborate with faculty to assess and improve student performance and course content for Departmental Program Review.
- Organize course content, prepared oral lectures, wrote and proctored student exams and grade course exams and assignments. Successfully communicate with students, evaluate performance, and provide feedback.
- Help individual students prepare for SOCPA (CPA equivalent). Write individual tutoring plans in accordance to the individual needs of students and prepare tutoring sessions to ensure each student's success.
- Through targeted questioning and analysis, alter teaching styles to best articulate the abstract concepts of accounting. Lead both individual and group study sessions.
- Identify specific skills required for employment and help outgoing students in obtaining these skills while assisting them in their job applications and interview preparation processes.

## TAUGHT COURSES

---

*Tax Accounting*

## VOLUNTEER WORKING

---

### **Designed a Virtual Accounting Interview Office | Shaqra University 2022**

- Designed an accounting interview virtual office for my students to practice the job interview for an Accountant position.
- Interview skills are pointing out for students to master it.
- Up to this point, 40 students have signed in this project.
- The main goal is to increase the chance for getting a job in the same field.

### **Designed a Virtual Accounting Office | Shaqra University 2019 – Present**

- Designed an accounting virtual office for my students to practice accounting courses & to have a sense of a work experience.
- It was designed to increase the students' understanding of accounting terms and concepts.
- The main targeted students are undergrad seniors.
- More than 50 hours yearly is giving in this project.

### **Tutoring | Wolverhampton University 2016 – 2017**

- Clarify and review accounting concepts & courses for other postgrad students who did not have the required accounting background.
