Muhannad Al-Jaghbeer

Public health officer and pharmacist at
EMPHNET GHD Amman Jordan

Summary

I am a detailed-oriented, task-driven leader seeking to acquire a position in public health where my skills can be utilized to foster shared vision, achieve desired outcomes and for the advancement of the organizational mission.

Experience

Freelance educator

November 2023 - Present (5 months)
Amman, Jordan

Responsibilities as a freelancer educator for university health approach students include:

Prepared quizzes, tests and examinations to gauge how well students were learning.

Designed curriculum-aligned assessments to measure student progress and inform instructional decisions.

Organized extracurricular activities such as clubs or study groups, promoting intellectual curiosity outside the classroom setting.

Developed and implemented engaging lesson plans to keep learner attention.

Helped students explore concepts with engaging, learning-focused activities.

GHD EMPHNET

Technical Officer & Researcher

Jan 2020 – Oct 2023 (3 years 10 months) Jordan

- Lead strategic planning process to reduce social determinants of health.
- Established community health division to address communal risks factors and decrease adverse health outcomes.
- Coordinated delivery of evidenced based primary and secondary program models.
- Audited and constructed ordinances and policies to ensure population health and safety.
- Participate in research and data collection with universities, community organizations and healthcare institutions.
- Lead intra-agency strategy to ensure health in all policies.
- Managed human resource relations for recruiting, placement and retention of health and public safety workers.
- Presented public health agenda items at city council and local area meetings.
- Coordinated monthly meetings for the Local Board of Health and Community Health Advisory Board.
- Provided fiscal management including budgeting, grant writing, reporting & maintenance.
